

Halloween 2015

We hope you all had a fun Halloween. Here are a few photos of some amazingly well carved pumpkins and our children/grand children dressed up. Looks like they all had a great time!

Staff Christmas Do

We are all really looking forward to our practice Christmas meal which will be held at the Grey Ox in Hartshead. A well deserved treat that allows us all to relax and enjoy each others company outside of the work environment. Photos will follow in the next newsletter!

9am–5pm

New Year's Day
Closed

Mon 4th Jan 2016
Closed

From Tue 5th Jan 2016
Open as normal

Staff training

In December we are delighted to welcome the Denplan training team to the practice to refresh and update our knowledge and skills in Customer Service. This is an area we feel is essential for the smooth running of the practice and hope we can continue to provide you with excellent customer care.

Eclipse Orthodontics

Claire, one of our orthodontic nurses has just commenced a course fixed brace treatment. She started with crooked and slightly sticky out teeth and so has had 4 teeth taken out and is now wearing upper and lower braces. She is delighted with the progress so far and is happy to chat about braces if you would like any further information. If you see her about ask her about her treatment and she might persuade you to give it a go too and get that smile that you have always wanted!

We will keep you updated on her treatment progress and cannot wait to show you the finished result, which we are sure will be amazing!

Christmas Competition

We are also running a 'Children's Christmas Competition'. Guess the number of balls in the jar to win Rudolph the reindeer. The jar is on the reception desk and Rudolph is hanging up behind reception. Entry is free so have a go and GOOD LUCK!

The final date for entries is Friday 11th December 2015.

Jane Bagley

Many of you may already be aware that Jane Bagley, one of our long standing dentists has recently gone on sudden long term sick leave. This came as a great shock to us all and has left us trying to find cover with very short notice. Some dentists have been recruited to cover some of Jane's lost time, but you may still find some delays getting appointments. Please bear with us and we will endeavour to accommodate you wherever we can. Other dentists in the practice are picking up extra work too and so everyone has been affected. Hopefully this situation will not last too long, but we are working to find some solutions. We would like to thank you in advance for your patience and understanding.

New team members

Over the last couple of months you may have noticed some new faces around the practice. This is because several staff have moved on to pastures new and so replacement staff have been recruited. We are really excited to welcome Lauren, Sophie, and another Lauren to our nursing team and Zahra to our reception team.

Twin News

Congratulations to Jermaine and her husband on the safe arrival of her twin baby boys on 21st August 2015. Arthur and Miles weighed in at 5lb 5oz and 5lb 7oz respectively.

The whole family are doing really well despite the obvious sleep deprivation!
