

National Smile Month 2018

14th May to 14th June saw us participate in National Smile Month. This event promotes Oral health and we had our friendly dragon sitting at our display table with goodies for our patients to pick up. We gave away stickers to the children and pocket-sized booklets with tips on diet and brushing to maintain good oral health.

New recruits

We have two new team members since our last newsletter.

Jane Appleton

Jane joined us in early January and many of you will have met her on reception already. Jane comes to us having been a receptionist in a G.P's practice. She has a 2 year old daughter who is already developing her Mummy's love of animals. Jane is a keen horse-rider and has a Doberman called Zeus.

Norma Gill

Norma joined us in March as one of the nursing team. Norma has worked in practices and also worked as a locum nurse for a dental nursing agency. Norma was keen to put down some permanent roots and we were lucky enough that she chose to do that here. Norma has a husband and two children, Noah and Siah. She is a keen cook and we are always keen to sample the creations from Norma's kitchen!

We are supporting

National
Smile
Month

14th May-
14th June 2018

Success for Claire

Our Head Nurse/Orthodontic nurse Claire Pygott has had the good news that all her hard work in studying for the Orthodontic Nursing Certificate has paid off. Here Claire proudly exhibits her certificate.

Congratulations!

From all the team.

Special Birthdays for our Apprentices

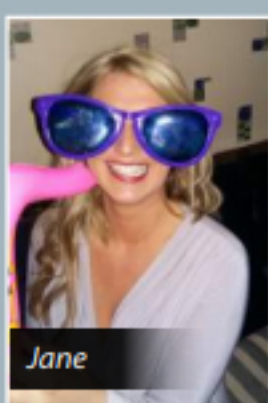

Two of our apprentice dental nurses have Celebrated their 18th birthdays last month. We bought them Pandora rings to mark this Memorable occasion.

Freya

Katie

Jane

Katie had a party which we were all invited to. We all had a good time and Jane models the latest in eye-wear here.

Eclipse Orthodontics

Before

Eclipse Orthodontics Case Report

In each newsletter we like to feature some of the work that our dedicated and highly qualified clinicians can provide for our patients and indeed those patients who are referred to us from other practices.

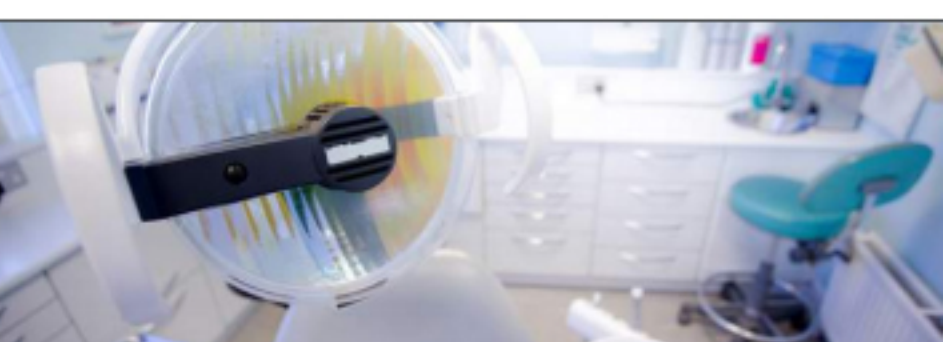

The above patient was treated with extractions and upper and lower fixed braces. They are delighted with the final result and can't stop smiling.

A consultation with Jill is just £40. Why not book a consultation and find out if we can create your dream smile.

Jill Collins, Orthodontist

Before

Don't we "scrub" up well?

The staff were treated to an evening at Oulton Hall at the annual Denplan Summer Ball. It gave us a chance to bring our finery out from the darkest recesses of our wardrobes! We had a lovely 3 course meal and of course the odd glass of wine. We all danced until our feet hurt.
